DEOMI UNVEILS NEW SAPR TAB ON ASSESSMENT TO SOLUTIONS AREA OF DEOMI.ORG

SEPTEMBER 28, 2016

PATRICK AIR FORCE BASE, FL. - The newest content to the Assessment to Solutions area of DEOMI.org is in the form of a Sexual Assault Prevention and Response, or SAPR tab. The resources housed in the [SAPR tab](#) include online lessons, posters, videos, and recommended

readings designed to assist commanders and equal opportunity professionals. The products are intended to help in developing a plan to resolve challenges identified in the SAPR section of the DEOMI Organizational Climate Survey known as DEOCS.

According to Ms. Monica Ray, Senior Training and Development Manager for SAPR, “These tools will assist commanders and EO professionals in understanding SAPR climate challenges that impact individuals within their organizations. The resources are designed to bring awareness to issues that would keep members from reporting assaults

and receiving the assistance they need. They are also designed to strengthen organizational prevention measures to minimize occurrences and keep unit members safe.”

Visit the SAPR tab to begin using these products in enhancing your organization’s climate.
