Religious Perspectives - Hinduism

Is there a mandate in your faith to share your faith in order to win converts?

“You have to be born a Hindu. You cannot be converted into Hindu. But saying that there are people who do believe in Hinduism and practice Hinduism and there is no objection to any one of them if they enter into the place of worship as a Hindu. There is no problem if they say that we are practicing Hindus. Say it’s a Western person who comes and says they are practicing Hindus as long as they follow what their practice into the worship places, they will not object to them from coming into the worship place of following the religion.”
