Religious Perspectives – Roman Catholicism

Is there a mandate in your faith to share your faith in order to win converts?

“Catholics are not noted for our overt evangelization. But we take our cue from St. Francis of Assisi, who I mentioned before, and he said to the other Franciscans and people of his day, ‘go out and share the good news, the gospel. Preach it and if you have to, use words.’ We need to share our faith by our actions as much or more than our words.”
