Religious Perspectives - Wicca

Is there a mandate in your faith to share your faith in order to win converts?

“As to your first question, ‘do we convert, or try to convert?’ And the answer is no. For many, many years, you’ve heard of Free Masons? For many, many years Free Masons and those who were Wiccan were quite hidden. And partly because of the persecutions that we’ve all suffered. We consider ourselves the hidden children of the gods. So no, we don’t actually go out and try to convert anybody. When I have Jehovah Witnesses come to my door I politely tell them, ‘thank you for coming but I am Wiccan.’ And I’ve had several try to convert me. And I simply asking them to please stop coming.”
